Judges Critique

I would like to thank the North of England Dalmatian Club for inviting me to judge at this well organised show. and a big thanks to the stewards for keeping the day moving. The use of mats made it difficult to assess the movement of some of the dogs but i was delighted with my over all winners.

Veteran dog

1. Ch Shulune ice phantom of dalamanti - worthy champion. Good head and eye level topline and very well spotted. Unfortunately the ring was not big enough to show his movement.

Minor Puppy dog

1, Kalokories Eddie the Eagle - Eye catching liver spot with good spotting. Well up for size but in proportion. Level topline good bend of stifle elegant neck. Moved well. BPD

2. Tamilanda Continental High - black spot good stifle, black spotted good head and eye.

Puppy dog.

1. Kalokairie's Bullet Proof lots to like about this liver spot. Very nice head, good eye, level topline and good turn of stifle. Moved very well and was at one with his owner. Elegant neck, good front angulation nice front legs into good feet. correct tail set Best dog and best in show.
2. Taminlanda midnight lily - black spot. Not the showmanship of 1 but a nice overall dog. Nicely spotted, good front and rear angulation.

Open dog

1. Kelevera what the dickens - smart black spot. level topline, deep chest, deep pigment good angulations could do with being more animated.

2. Kalokairies Barberella From Koroyza another nice example. Slightly bigger overall than one but within the correct size frame. Both angulations correct and good tail set. Elegant neck and pleasing head. Best liver bitch

open bitch

1, Dalcarla Gladys Knight - very similar to limit bitch and most of the same attributes. Correct size good coat and well spotted. Liked her head. RBB

2. Rapanooy rhapsody - could do with shedding a few pounds but lots to like. Pretty head dark eye, bags of personality and good front.

Brace

Kembreys two very well matched moved stride for stride as one.
