Judges Critique's

I would like to thank the committee for inviting me to judge their summer open show, and also to the exhibitors for bringing your lovely Dalmatians. I had some very nice dogs to go over and hope you all enjoyed your day as much as I did. Also a big thank you to my two stewards who kept the events of the day running very smoothly.

Taller type than 1, lovely rich liver colour with good amber eye.Nicely broken ears set on correctly framing his face. Head still going through developmental stage. Brace. (5,1ab)

1. McCarthy's. Liver brace of dog and bitch. Stood in unison and on the move they covered the ground well, steadily .expertly handled they almost looked like one.
2. Kembrey's Another liver brace, they stood well together, were just pipped to the post by 1 who I felt moved better together.
3. Marley's.
