Judges Critique

I was very pleased with temperaments overall, there were only 2 or 3 exhibits that were a little hesitant which impacted on their placing, whilst all were happy for their handlers to show teeth. Given the long break from the show scene, hats off to owners. However, some were very overweight, whilst others were a little on the lean side. Now on to the nitty gritty. Some classes were very difficult to place, as exhibits were displaying the same faults, mainly rear movement. My usual bug bear is poor fronts, but knitting of back legs seems to be common place, and definitely more prevalent than last time I judged. Some toeing out of front feet and paddling has also crept in. Having said all this, there were a few classes where I did not have enough red cards, and there were close calls.

PD (5)

1 Hobbs & Whiting's Rapanooey Ranunculus. L/s boy evenly decorated, of good substance. Correct mouth with masculine head and kind expression. Well placed shoulders and level topline. Good width of thigh. Still a little raw and loose on the move, needs to mature a bit more, but did enough to hold his own. Not in his best coat but was not going to penalise him for that. BPD.

2 Richards' Hafwenna We Will Rock You. B/s, solid boy of correct size. Strong, masculine but not exaggerated in any way. Strong head with dark eyes. Well off for bone, good round feet. Deep chest and good elbow placement.

Movement fore and aft a little erratic, but still a youngster so hopefully this will settle. Good width of thigh, providing excellent drive around the ring. Will watch him with interest.

3 Philip & Dunnachie's Dvojica Enrique.

JD (4)

1 Moate's Sundowndal Trijonkuro. What a lovely b/s young man. Solid type, well off for bone. Pleasing masculine but elegant head, dark eyes, kind expression. Good length of neck into well placed shoulders, deep capacious chest, level topline, and solid width of thigh in hard condition. Excellent feet, moved him around the ring, best mover of the class, though a little unsettled. Should have a bright future.

2 Cowpe's Perditas Never Say Never. L/s masculine young man. Masculine all through. Pleasing head, though a little lighter in eye. A little longer in body than first, but well balanced. Adequate shoulder placement and deep chest. Moved well in this class.

3 Stocks' Sophtspot Lionheart At Nospar.

YD (2) 1 Barrett's Dalmanti Caesars Palace. B/s, placed reserve in previous class, but the better mover in this class got him top honours. Smaller and finer in type, would like a little more meat on him, but in fit condition and well muscled. Elegant head and neck, level topline. Good elbow placement, tight cat feet, and good width of thigh.

2 Tyson's Perditas Albus. L/s complete contrast from first. Larger frame and plenty of bone. Heavy in head, would have liked it a little more refined. Excels in width of thigh and round bone. Deep chest, good feet. Not as clean on the move as the class winner.

GD (5, 1)

1 Norgrove's Sassydals Flugel Horn. Quality L/s nicely decorated, of correct colour on a crisp white coat. Love his type, masculine but elegant head, unexaggerated throughout. Good length of neck, into defined wither and level topline. Excellent front assembly, good elbow placement and deep chest. Tight, round feet, excellent width of thigh. To be fussy would have liked him a tiny bit leaner, but his movement is effortless and he flows around the ring with ease, therefore could not deny him this class and RCC.

2 Chattaway's Buzzbrook Spellbreaker. B/s elegant male. Long neck, capacious chest, well placed elbows, longer in body than first. Strong muscular thighs, good fluid movement with a long stride, he fills the eye. Excellent condition.

3 Cowper's Perditas Never Say Never.

PGD (4) 1 Sampson's Dalstorm Golden Guinea JW. B/s with classic, clean outline, not a wrinkle in sight. Elegant head, dark eye, long neck, into well placed shoulders. Level topline into correct croup and tailset, which he holds well. Good width of thigh drives him out with ease. Well placed hocks and perfect feet. Last time I judged him felt that he needed to tidy up for and aft, which he appears to have achieved.

2 Townson & Pardoe's Kaytoni Oh What A Night At Daymadals. Dense b/s honest type of Dalmatian. Many of the same attributes as first, and therefore a close call. He has developed well during the break from shows.

Masculine, of correct size. Elbows carried well, close to deep brisket. Excellent width of thigh, in hard condition, moved out well and covered the ground with ease.

3 Croft's Kalokairies Great Gatsby At Koroyza.

LD (4, 1) A nice class of quality dogs.

1 Whincup's Tamilanda Air Force One. Quality b/s all male. Pleasing outline with handsome head, elegant, long neck into level topline held well on the move. Deep chest, well set elbows, good patterns and width of thigh. Covered the ground well. In hard condition.

2 Baker's Lancelot Des Landes D'Iroise At Oneowun (Fra Imp). B/s unlucky to meet the fine young man in this class. Often overlooked, I have admired him from ringside. Heavier type, with masculine but elegant head with dark eye, good front assembly. Deep chest and good width of thigh in hard condition. Covered the ground well but not quite as clean as first fore and aft, also just preferred croup of first, but a lovely boy.

3 Finaly's Dalfin Actual Fact.

OD (3)

1 Locke-McFadzean's Caprillis Panache Over Sassafras. Where to start. Not much to say that I didn't say last time. B/s stallion of a male oozes quality. Up for size, but has matured so well since I last judged him and gave him the

RCC. Elegant with the kindest expression and dark eyes. Long neck flows into well placed shoulders and elbows with well proportioned front assembly. Good forechest, straight front legs into correct feet with strong pasterns. Defined wither, level topline, held well on the move. Strong, excellent width of thigh and well placed hocks propel him around the ring. A joy to behold. In solid hard condition is a credit to his owner. A fine example of the breed, CC and BOB. I was thrilled to give him the CC and his crown, also Best of Breed. I am sure he has many more to come.

2 Hopkin's Ch Rapanooey Red Rose. B/s stylish boy. Elegant of good size and type. Handsome head, well placed shoulder and elbows. Good width of thigh and depth of chest. Good tailset, with topline held well on the move. Covered the ground well.

3 Quayle's Ch Millbelle Kicking Horse JW.

VD (2)

1 Samkin's Rapanooey Ridha. L/s 7 yr old male of good make and shape. Handsome head, solid masculine body, with good depth of chest. Moved well.

2 Pace's Big Ado. 9 yr old l/s male. Looking a little finer in body today. Nice head and expression, moved well enough but felt he was a little out of condition.

Sp Beg D (3, 1) 1 Chattaway's Buzzbrok Spellbreaker. Placed second in GD. l/s with good stride, moved well enough to win this class.

2 Cowper's Perditas Never Say Never. Second in Junior, slightly preferred movement of first.

MPB (1) 1 Fabian's Tamilanda Mornigstar. B/s youngster stood alone but worthy of a first place. Substantial girl, pretty head with dark eyes. Elegant neck, defined wither and level topline. Excellent bone and feet, confident mover, moved out well. Would not want her to grow on much more, promising puppy.

PB (6)

1 Hopkin's Dvojica Evangelista. Eyecatching solid b/s bitch with dense pigment. Elegant head, long neck with defined wither and good shoulder placement. Plenty of heart and lung room. Excels in width of thigh in hard condition. Well set hocks and pleasing hindquarters, well angled and not exaggerated in any way. Moved with purpose. Whilst she is substantial, she does not lose her femininity. BPB. BPIB and offspring of my DCC and Bitch RCC.

2 Quayle's Cubalibre On One. Lovely feminine l/s bitch unlucky to meet first today. Different type, on a smaller frame, elegant with pretty decoration. Pretty head, level topline and correct tailset. Deep chest moved well and true fore and aft. Look forward to seeing her mature.

3 Richards' Hafwenna All That Jazz.

JB (5) 1 Whincup's Tamilanda Continental Gold. What a beauty. L/s just my cup of tea. Loved her make, shape and substance. Feminine head, long neck into adequate shoulder. Deep chest, level topline held well. Well off for bone with good feet. Moved with ease and handled to a minimum to show off her attributes. Very close contender for RCC today and I am sure she will get her title with ease.

2 Hopkin's Dvojica Evangelesta. Winner of previous class. Held her own well up with the big girls. 3 Scott's Sophtspot La De Da At Belsmard.

YB (3) A difficult class to judge as movement fore and aft difficult to assess as not clean as it could be.

1 Sampson's Tyrodal Seven Of Nine At Dalstorm. Strong workmanlike l/s bitch. Elegant head with good reach of neck, defined wither and level topline. Plenty of bone and good width of thigh in excellent condition. A picture standing and in side gait but a little untidy fore and aft.

2 Horsraft's Perditas Anastasia At Manchando. Dense b/s bitch on a different frame to first. Strong bone and solid thighs in good condition. Strong pasterns and well placed hocks, moved around the ring with drive.

3 Gardner's Wrendragge Mabel Syrup.

Another difficult class as movement a little erratic.

GB

(5, 1) 1 Gardner's Wrendragge Mabel Syrup. B/s bitch placed third in previous class. Bold spotting with nice head and neck. Could hold her topline a bit better which would make a more attractive profile. Well off for bone and

good feet, moved well enough to top a difficult class.

2 Donnelly's Tamilanda Memphis Belle. B/s feminine bitch, pretty head, makes a nice profile with level topline, but a little wide in front when moving.

3 Clarke's Dalstorm Heart Of Promise.

PGB (5) Best bitch class so far, but some exhibits carrying too much weight which cost them.

1 Peterson's Daedalus Grand Finale. Quality bitch well up for size on a larger frame, however, maintaining her femininity. Dense pigment and head of good proportions, dark eye. Elegant neck into good shoulders and level topline. Excels in width of thigh and has plenty of heart and lung room. Moved so well covering the ground with ease.

2 Barrett's Dalamanti Hidden Glory. B/s on a smaller frame than first but to standard. Pretty head, excellent reach of neck and level topline. Good elbow placement and well placed hocks. A bit of a fidget for her handler, but saw enough to assess her good fluid movement. In good fit condition, but would like just a little more covering.

3 Richards' Divazzi Desire For Romance At Hafwenna.

LB (9) A lovely class, where more red cards were required.

1 Dunnachie & Philip's Dvojica Daisy Diamond. Quality b/s bitch in excellent condition. Strong but feminine, typical head with dark eye, defined wither, well placed shoulder and level topline. Well off for bone and excellent width of thigh, well muscled. Striding out well covering the ground with ease and expertly handled. RCC.

2 Hobbs & Whiting's Sophtspot Knockout At Rapanooey. This b/s girl caught my eye. Standard size, feminine but solid. Good forechest with deep brisket and well placed elbows. Lovely easy movement and clean fore and aft. Covered the ground well

3 Tingey's Dallyador Secret Addiction.

OB (1) 1 Cuthbertson's Ellemstra Little Mix With Kalsidoni. This b/s bitch stood alone, but deserved the spotlight, the ring was hers and she owned it. I adore her free flowing movement. Standard size, solid body but feminine all through. Pretty head, excellent reach of neck into correct shoulders, level topline and correct tailset. Good angles front and rear, excellent width of thigh, took her round the ring with drive. Can be a handful but her exuberance is just what the breed standard asks for. Pulled out all stops in the challenge. CC.

Sp Beg B (4) 1 Horscraft's Perditas Anastasia At Manchando. Placed second in yearling, settled and did enough to take the class.

2 Patrick's Cohavrick Symphony. Previously unplaced in limit, B/s rangier in type than first. Pretty head, feminine throughout, handled well and covered the ground.

3 Clarke's Dalstorm Heart Of Promise.
