Judges Critique

Mrs Donna Whincup Bitches...

Its always a great honour to be nominated and chosen by our members of this club to judge our beautiful breed at this level.

I would like to thank the comittee for looking after Kevin and I so well, and to my two very efficient stewards Mr Ian Tilson & Dr John Stevenson for keeping my ring running smoothly.

Thank you to all who took the time to enter and show their wonderful Dalmatian bitches under me, i had a super entry both numerically and quality, and for all of you accepting my decisions gracefully.

Its been two and a half years from me last judging our breed. I found all mouth correct with good scissor bite. More attention needs to be taken with your dogs feet , as the long unattended nails are spoiling the correct cat feet, making the dog lean back causing them to have hare feet. Tails are still a little high and the dreaded dally was in full force too. We are lacking length in upper arm, which is alteing the reach and efficiency of the dogs movement. There is also alot of weak hocks, all of the above are important and require attention, as we are a moving breed. I was very happy with the quality and conformation of my winners.

Class 14 MPB 11 entries 1 absent

1st Davis & Scott-Allen Mr S & Miss M Dallydyl Code Breaker . Liver bitch of correct colour, Rich amber eye, I like the decoration around her eyes, and on her face. Head balanced with a good amount of stop, Muzzle has a good width to it. Ears marbled and of a correct size, used well framing her femine face. Neck of fair length. Well laid shoulders with a correct return of upper arms, elbows tight to chest. A nice depth to brisket, She stands on well rounded strong , straight front legs, which are sat on good cat feet. Beautifully marked with spots of a good size which are evenly distributed. She is well bodied, has a strong topline, well rounded rear which has enough muscle for her age. Tail set well and carried straight off her back. A free and easy mover, I would like her handler to just pay attention to her a little more, she has so much to give. Happy to make her my Best Puppy Bitch, she also took Reserve Best Puppy In Show.

2nd Locke-McFaden Mrs A Alphadirato Rising Star Over Sassafras NAF TAF 6 month old, i feel her name will do her well. A very raw liver bitch with so much to like. Very pretty , wonderfully spotty in face, dark ears used well framing her face, eyes could be a little darker for me. Nice length to neck which flows in to well laid shoulders. Strong, straight front legs, well manicured nails. Nice depth to chest, correct topline and tail set, well angulated rear, with good hocks, giving her the tools to power around the ring, Nice and fluid. Wonderfully decorated with an even distribution of well sized liver spots. Such a show girl, a natural and one to definatley watch.

1st Hopkin Mrs J Dvojica Evangelista Black/white bitch very flashy show girl who demands attention, head balanced, muzzle of good depth, enough stop and a nice width to back skull, eyes dark which is enhanced with her wonderful facial markings , ears nicely broken and used well to frame her face. Tail straight of her back. She has a crisp white coat with coal black even spots, which enhances her attractive outline. She is well up for size and is a free and easy mover, but just needs to tighten up at the front, this should come with maturity. A definite contender and one to keep an eye on.

2nd Derrick & Ryan Miss N & Mr J Kalokarie's Hocus Pocus. I loved this young lady, rich liver spots on a pure white short coat, fabulous classic outline. Super feminine in head, sporting a rich amber eye, Head balanced and clean small spots around her nose added to her beauty, ears broken and well set, used too full advantage. Neck of fair length. Good lay to shoulder and return of upper arm. Plenty of bone, straight well rounded front legs sat on tight cat feet. Topline strong which she retained on the move nicely rounded well muscled rear, when settled she is effortless on the move, demonstrating good reach and drive. This pair is obviously new to the showing game, but shows so much potential. She is not an easy bitch to handle, so i applaud her handler.

SHOW RESULTS FOR DOGS

My thanks go to the BDC and its members for inviting me to judge at this very prestigious Championship Show. I would also like to thank all the exhibitors who allowed me to judge their dogs. My appreciation to the stewards Sue and Steve along with Chief Steward Elaine for keeping the show ring running very smoothly. I felt the atmosphere to be most welcoming and it was great to be back in the show ring. Generally the dogs temperaments were good however I did notice a few tail sets were carried rather high and this does really spoil the outline of the dog. It was also apparent that the dreaded "Dally Rash" was present on some dogs which stopped them gaining higher placing's. It was my pleasure to judge the dogs today and as to the top awards of BIS BPIS and BVIS my thanks to my co judge Mrs D Whincup and the referee Mrs Irene Hernandez, and another top quality Dalmatian who went onto win RBIS & BOS was Dr WJE Gardner's & Mrs JM.
