1 Bakers Dalmaigheo Love Is The Drug. Handsome well balanced dog, nice for size, loved his head and expression with oval sparkling eyes, slight arch to neck of good length, well made through forehand, deep chest with good spring of rib carried well back, firm strong topline and good turn of stifle, good tail set and carriage, not as decorated as some, scored well on the move with much freedom of movement which was straight and true in all directions, Res Best Dog.

2 Wallingtons Rovinjdal Dare To Dream. Taller dog with lots to like, makes a nice outline on the stack, decent head and eye, lengthy neck, good spring of rib, strong loin, firm topline, well balanced quarters with hocks well defined, nice evenly decorated spots, moved out freely with smooth powerful strides.
