Judges Critique

MICHAEL CLELAND (DEOVOLANTE)

My thanks to the committee for the invitation to judge at this show, it was well organised and I must give special thanks to my stewards who did a great job. Overall, I found more quality in the bitches and some will certainly go on to greater things, in the dogs I felt there has been a detrimental change towards broader heads and heavier bodies. Thank you to all exhibitors for the opportunity to go over your dogs and the sporting way my decisions were accepted. I was delighted with my main winners who were all fit for purpose and excellent representatives of the breed.

MPD (1) 1st Alcock's Kayjule Kepler at Dalspartan

Delightful puppy, well schooled and very responsive to handler at just 6 months and one day old, great conformation, evenly spotted with intense contrasting colour, moved with style and obedience beyond his tender age.

PD (2) 1st Green & Sear's Alphaldal Aint Misbehaving at Judally

Traditional liver decoration, nicely arched neck to level topline, correct tailset carried well on the stand and when moving, this puppy shows much potential for greater things in the future. BPD & BPIB

OPEN (6) 1st Neath-Duggan & Baker's CH Buffrey Incognito by Dalleaf JW

This dog takes the eye immediately with his pitch black spots evenly spread on a brilliant white coat, I judged him as a puppy and wasn't disappointed in how he has progressed. In profile his confirmation could be the template for Breed Standard, presented in tiptop condition, working as one with his handler, reaching out and driving powerfully from muscular hindquarters on the move showing he was absolutely fit for purpose. I was pleased with his performance in the group. DCC BOB
