## Judges Critique

Diverse entry, but I was pleased with both my final line-ups. I was somewhat dismayed by a number of dogs not shown in clean condition, for a smooth coated breed this is totally unacceptable.

VD (1) 1 Whincup & Sibson's Ch Tamilanda Vintage Pink. Liver spotted dog of pleasing balance, like his head and expression, eyes of good colour, pleasing pigment. Clean through the neck, shoulders well laid, excellent bone and the best of feet. Level topline, well ribbed but carrying too much weight which affected him on the move. Could be a little more angulated in the rear, shown in excellent musculature.

MPD (6) 1 Alcock's Kayjule Kepler At Dalspartan. Masculine black spotted dog, well grown, pleasing head, attractively marked and with super pigmentation. Pleasing forehead, well boned legs and well padded feet. Firm in topline, tail well set, moved positively. 2 Green & Sears' Alphadal Aint Misbehaving At Judally.

Beautifully marked liver spotted dog with much to admire. Well balanced and stands on the best of legs and feet, shown in immaculate condition and musculature. Not the masculinity of first yet, but should finish well.

PD (2) 1 Sims' Mullabuooy Magic Man For Snowspeeder. Beautifully marked black spotted dog, masculine but not overdone anywhere. Pleasing head shape, eye could darken a fraction still. Strong neck, shoulders well placed, pleasing bone and cat like feet. Ribbed well back, doesn't want to carry anymore weight, holds a good outline standing and moving. Moving freely in all directions, should have a great future. BP. 2 Finlay's Dalfin Actual Fact. Heavier marked black spotted dog, clean in outline. Balanced in his angulation, enough bone and good feet. Holds a good topline standing, free and rhythmic mover particularly in profile. Going through a growth spurt and could carry more weight to advantage. A little proud of his tail at times.

JD (3) 1 Todhunter Robinson & Robinson's Millbelle Rocky Mountain. Well marked liver spotted dog who appeals for his excellent type, such a kind pleasing expression, strong neck, shoulders well placed, straight forelegs and excellent bone. Ribbed well back, chest deep enough, could be a little shorter in loin but holds a firm topline standing and moving. Moves out freely and positively in all directions, well conditioned. BJ. 2 Holland's Capearlla Its On Ice. Black spotted dog, eyes could be darker and a little deep in stop. Clean though the neck, excellent bone and feet. Firm, well muscled body, tail carriage could be better. Moved ok once he settled.

3 O'Connor's Dalamanti Diamond Raider.

GD (5) 1 Wheaton's Buffrey The Last Word At Acinonyx. Beautifully headed, black spotted dog, strong neck, shoulders well placed, just right for bone and standing on good feet. Ribs well developed, strong level topline, tail well set. More moderate in his rear angulation and looks better moving the standing, shows to advantage. 2 Gardinor's Dakata Durata. Pleasing headed dog, clean through the front but not as well angulated as one. Strong topline which he maintained standing and moving, well muscled quarters and hocks well let down. Shown in good condition, moved ok. 3 Christie's Laguna Dios Free Falcon By Sophtspot (Imp).

PGD (2, 1) 1 Hurst's Philcarthom Xcaliber At Finnidal. 6 year old dog shown in optimum condition, head of pleasing shape. Strong in neck and with a good forehand, good bone and pleasing feet. Deep in chest, well ribbed back, tailset ok. His quarters are well muscled. Moved on a steady stride.

LD (8, 1) 1 Marley & Libbey's Bellili's D'amore De Loin ShCM. Medium sized moderately angulated dog with a pleasing expression, dark eyes of correct shape, excellent pigment. Strong in neck, he has enough bone and excellent feet. Good depth of brisket, strong in topline, tail perhaps a little low set. The best of musculature, hocks well let down. Steady mover, true fore and aft. Attractively marked and coat in flawless condition. 2 Gardinor's Jamelsley Pyracantha At Dakata JW. Dog I have admired before, pleasing head and eye, well balanced in outline. Leasing forehand, good legs and feet, carrying enough body, moving positively in all directions. 3 Green & Sears' Boschendal Simply Red At Judally.

OD (5) 1 Neath-Duggan & Baker's Ch Buffrey Incognito By Dalleaf JW. Boldly marked black spotted male who is the consummate showman. Striking outline, dark eyes, broad in head, clean well arched neck, excellent bone and the best of cat like feet. His body is toned, level topline, ribbed well back, strong through the loin. In superb musculature and uses himself to best advantage moving. Pleased to award him the CC & BOB. He finished the day G3. 2 Page, Page & Page's Winflash Hugo Boss. RCC. Size smaller dog and more compact than the winner, balanced in his angulation and just right for bone and substance, thick well padded feet. Strong in neck, good depth of brisket, firm in topline and tail well set. Strong well muscled quarters, hocks well let down, excellent mover in all directions. 3 Todhunter Robinson & Robinson's Ch Millbelle Young Gun JW.

GCD (3) 1 Wheaton's Buffrey The Last Word At Acinonyx. As previous class. 2 Hurst's Philcarthom Xcaliber At Finnidal. As previous class. 3 Pace's Big Addo.

VB (4) 1 Emmett & Simons' Ch Dalliviro Reba Mac At Ellemstra JW ShCM. Favourite of mine and hard to believe she is now a veteran, excellent outline, delightful expression, the best of pigment. Strong in neck, shoulders well laid, correct amount of bone and excellent feet. Strong topline, good depth of body, ribbed well back, pleasing tailset and carriage. Well muscled quarters, hocks well let down. Shown in pristine condition and moves out to advantage. BV. 2 Kembrey's Dalmark The Flamenco. Liver spotted bitch of pleasing type and quality, pleasing head and expression, strong neck, excellent front, enough bone and well padded feet. Well bodied, firm in topline, moved steadily at an even pace. Shown in excellent condition.

MPB (3, 1) 1 Carroll's Willowvine All Eyes On Me. Well conditioned puppy of appealing type, raw as you would expect but she is well made and has excellent angulation. Well boned legs, super feet. Holds a good topline standing and moving and is an attentive showgirl, can be a little proud of her tail at times. Just not as forward as the two puppies ahead of her in the next class.

2 Chappell's Nalderhill Aphrodite At Waltzaway. Heavier marked liver spotted bitch, head of excellent shape, eyes needing to darken still. Really well angulated front and rear, well boned legs, well bodied and with a firm topline. Great personality and finding it all very exciting still and a little uncoordinated moving.

PB (4) 1 Jackson & Watts' Tamilanda Continental Song. Mature well grown puppy with a beautiful head and eye, overtly feminine. Darkest of eyes and pigment. Strong well arched neck, shoulders quite well placed, best of legs and feet. Strong in topline, ribs well developed, doesn't want to carry anymore weight. Moved positively in all directions, BPB. 2 Morgan's Malbreow Wish Upon A Star. Leaner more elegant bitch on the opposite end of the scale to the winner and who could carry more condition. Feminine headed puppy who has pleasing bone, could have a little more width all through. Firm in topline, tail perfectly set and carried, free moving in profile. Attractively marked. 3 Carroll's Willowvine All Eyes On Me.

JB (3) 1 Page, Page & Page's Winflash Miss Dior. Moderately angulated liver bitch, won this class on her condition and her rhythmic action in profile. A little shorter in muzzle than I prefer, but quite appealing expression. Straight forelegs and excellent well padded feet. Body developing well, firm topline, tail well set and carried. Free positive mover. 2 Hobbs & Whiting's Rapanooey Rascallion. Attractively marked bitch who appealed standing and moving, more angulated than one, pleasing head and eye. Presents a good outline, could be firmer in musculature. 3 Hajee & Tidcombe's Castletop Summer Breeze. A bitch of appealing type, a shame she wasn't happy with the proceedings today.

GB (6, 2) 1 Davies' Maddidalli Embers Glow. Feminine black spotted bitch attractively marked who appeals for head and expression, clean through the front, shoulders well laid, enough bone and good feet. Her body is well ribbed back, strong through the loin, quarters are well muscled and she uses short strong hocks to advantage on the move. Attentive to her handler. 2 Patrick's Cohavrick Symphony. Beautifully marked and pigmented black spotted bitch, pleasing head and expression, clean though the neck, moderate front angulation, enough bone and good feet. Attentive to her handler and presented in excellent condition, moved ok. 3 Sampson's Dalstorm Eternal Promise JW.

PGB (9, 3) 1 Probert's Millbelle My Precious At Ribot. Half sister to the CC winner and has much of her quality, liked her head, pleasing expression, excellent forehead, shoulders well laid and just right for bone. Cat-like feet. Good depth of brisket, ribbed quite well back although fractionally longer in her loin, well angulated quarters, strong short hocks. Moves out to advantage, particularly in profile with excellent tail carriage. 2 Pickup's Roadcoach Ray Of Sunshine. Well balanced liver, slightly taller and more elegant than first. Pleasing head shape, eye colour could be darker, pleasing front angulation, bone and feet. Developing in body, could perhaps carry a little more weight to advantage. Moved positively in this class but performed much better for her replacement handler in a later class, I hope she will be encouraged to take over her showing in future. 3 Dinsdale's Roadcoach Rejoice With Dalesbred.

LB (8, 3) 1 Wright's Millbelle Fernie. Youngster of 14 months old, with a beautiful head and eye, expressive eyes and the most pleasing expression. Strong and clean through the neck, excellent forehead with shoulders well laid, just right for bone and feet. Body strong and well ribbed back, firm in topline, tail well set and carried. Strong wide well muscled quarters, hocks well let down, a free and effortless mover in all directions. Beautifully marked, CC, pushed the dog all the way for BOB. 2 Gardner's Dvojica Chilli Chutney For Wrendragge JW. Another quality liver spotted bitch who has a look of refinement and quality. Pleasing expression, dark eyes in a head of correct balance. Excellent front, correct amount of bone and tight well padded feet. Her body is well ribbed back, level topline which doesn't falter standing or moving, moved out holding her outline, free in all directions. Beautifully marked. Her handler had a nasty fall and its testament to her excellent temperament that she carried on regardless, close up for RCC. 3 Bolt's Gemmont Affirmed By Fakenham.

OB (9, 2) 1 Christie's Ch Sophtspot Glitterati JW. Black spotted bitch I have judged before, such an appealing head and eye. Strong and clean through the neck, excellent forehead, correct amount of bone and cat-like feet. Well conditioned body, firm topline, tail well set and carried. She is ribbed well back and firm through the loin. Quarters are well muscled, hocks well let down, very sound moving, just not as rhythmic as the CC winner in profile. 2 Neath-Duggan & Baker's Buffrey Hanky Panky By Dalleaf JW. Beautifully marked black spotted bitch, no doubting her sex. Pleasing head for balance, her expression appeals, strong in neck, perhaps not the shoulders of one but excellent bone and the best of feet. Good depth of body, strong level topline, firm in body, presented in the best of musculature. Sound, free mover in all directions. 3 Page, Page & Page's Winflash Prada Candy Kiss.

GCB (5) 1 Kembrey's Dalmark The Creme De Cassis. Lightly liver spotted bitch of an appealing type, like her head and eye. Strong neck, pleasing forehead, good bone and well padded feet. Body well ribbed, firm level topline, strong well muscled rear used to advantage on the move. 2 Pickup's Roadcoach Ray Of Sunshine. As previous class. 3 Sampson's Dalstorm Eternal Promise JW.
